

## Dr. Kenjo to Give Lecture in Xian, China

11/09/2013

Nidec Corporation (“the Company”) today announced that Dr. Takashi Kenjo, the Company’s Technical Adviser, will give a lecture at the 19<sup>th</sup> Micro Motor & Driving Technology Innovation Symposium (Chinese title: “第 19 届微特电机及驱动技术创新与发展论坛”).

In the lecture, which will be given under the title, “Current State of the SR Motor,” Dr. Kenjo will cover the following topics as he did so in the Techno Frontier 2013 Technology Symposium held at Tokyo Big Sight in Japan on July 19, 2013:

- SR Motor: Past and present
- Organizing SR motor theories – For more applications
- Latest development trend

Approximately 400 people are expected to attend the Symposium.

- Event: The 19<sup>th</sup> Micro Motor & Driving Technology Innovation Symposium (Chinese title: “第 19 届微特电机及驱动技术创新与发展论坛”)
