

# Group Companies

Company name	Business activities
NIDEC INSTRUMENTS CORPORATION <a href="https://www.nidec.com/en/nidec-instruments/">https://www.nidec.com/en/nidec-instruments/</a>	R&D, manufacturing and sales of Stepping motors, Motor drive units, Industrial robots, Card readers, Precision plastic molds, Electric contacts and Music box products
NIDEC MOBILITY CORPORATION <a href="https://www.nidec.com/en/nidec-mobility/">https://www.nidec.com/en/nidec-mobility/</a>	Marketing, development, production and sales of automotive electrical components
NIDEC DRIVE TECHNOLOGY CORPORATION <a href="https://www.nidec.com/en/nidec-drivetechnology/">https://www.nidec.com/en/nidec-drivetechnology/</a>	R&D, manufacturing and sales of power transmission drives, press machines, control device, measuring, ceramic art equipment, and others.
NIDEC TECHNO MOTOR CORPORATION <a href="https://www.nidec.com/en/nidec-technomotor/">https://www.nidec.com/en/nidec-technomotor/</a>	R&D, manufacturing and sales of small and mid-size motors for HVAC, home appliance and industrial machinery, power tools, motor-based equipment and others.
NIDEC POWERTRAIN SYSTEMS CORPORATION <a href="https://www.nidec.com/en/nidec-powertrainsystems/">https://www.nidec.com/en/nidec-powertrainsystems/</a>	R&D, manufacturing and sales of precision automobile parts, automated measuring equipment.
NIDEC ADVANCE TECHNOLOGY CORPORATION <a href="https://www.nidec.com/en/nidec-advancetechnology/corporate/">https://www.nidec.com/en/nidec-advancetechnology/corporate/</a>	R&D, manufacturing and sales of semiconductor package/PCB inspection systems, optical inspection systems, FPD inspection systems, automatic measurement/control systems and associated xtures.
NIDEC COMPONENTS CORPORATION <a href="https://www.nidec-components.com/e/">https://www.nidec-components.com/e/</a>	R&D, manufacturing and sales of electronic circuit components, pressure sensors, actuators, potentiometers, and rotary encoders.
NIDEC PRECISION CORPORATION <a href="https://www.nidec.com/en/nidec-precision/">https://www.nidec.com/en/nidec-precision/</a>	R&D, manufacturing and sales of optical, electronic and information equipment, photo equipment and factory automation equipment.
NIDEC MACHINE TOOL CORPORATION <a href="https://www.nidec.com/en/nidec-machinetool/">https://www.nidec.com/en/nidec-machinetool/</a>	(1) Design, manufacture, sales and consulting services associated with machine tools, cutting tools, and other related products. (2) Installation, technical guidance, and after-sales services related to the above products.
NIDEC ADVANCED MOTOR CORPORATION <a href="https://www.nidec.com/en/nidec-advancedmotor/">https://www.nidec.com/en/nidec-advancedmotor/</a>	Development, manufacture and sales of consumer and industrial small motors, as fans, blowers and sensors, and motor application products.
NIDEC ELESYS CORPORATION <a href="https://www.nidec.com/en/nidec-elesys/">https://www.nidec.com/en/nidec-elesys/</a>	Development, manufacture and sales of automotive inverters and electronic control devices for automotive bodies.
NIDEC GLOBAL SERVICE CORPORATION <a href="https://www.nidec.com/en/nidec-globalservice/">https://www.nidec.com/en/nidec-globalservice/</a>	Insurance agency, real estate, merchandising, building maintenance, leasing, human resource, hotel business, beverage service and others.
NIDEC OKK CORPORATION <a href="https://www.nidec.com/en/nidec-okk/">https://www.nidec.com/en/nidec-okk/</a>	(1) Design, manufacturing, and sale of machine tools (machining centers, NC milling machines, general-purpose milling machines, and specialized machine tools) (2) Installing, and providing technical Support and customer support for, the above products.
Takisawa Machine Tool Co., Ltd. <a href="https://www.takisawa.co.jp/english/">https://www.takisawa.co.jp/english/</a>	CNC lathes, Engine lathes, Machining centers, Drill centers, FA cells, systems
NIDEC MACHINERY CORPORATION <a href="https://www.nidec.com/en/nidec-machinery/">https://www.nidec.com/en/nidec-machinery/</a>	Design, manufacture, sales and technical support of automatic machines, FA equipment, measuring and testing devices.
NIDEC MOTORS & ACTUATORS (GERMANY) GmbH <a href="http://www.nidec-ma.com/">http://www.nidec-ma.com/</a>	R&D, manufacturing and sales of automotive motors (engine cooling, ABS, tilt/telescope, seat adjustment, window lift, air compressor, sunroof and trunk open and close.)
NIDEC ELECTRIC MOTOR SERBIA LLC <a href="https://www.nidec.com/en/corporate/network/group/nidec-electric-motor-serbia/">https://www.nidec.com/en/corporate/network/group/nidec-electric-motor-serbia/</a>	Manufacturing and sales of automotive motors and related products are planed.
NIDEC GPM GmbH <a href="http://www.nidec-gpm.com/">http://www.nidec-gpm.com/</a>	R&D and manufacturing of water pumps, oil pumps and modules for the automotive industry; wide range of OEM customers (passenger cars and commercial vehicles)
NIDEC MOTOR CORPORATION <a href="http://www.nidec-motor.com/">http://www.nidec-motor.com/</a>	R&D, manufacturing, and sales of industrial, commercial and appliance motors, and control equipment
NIDEC GLOBAL APPLIANCE EUROPE S.r.I <a href="https://www.nidec.com/jp/corporate/network/group/nidec-global-appliance-europe/">https://www.nidec.com/jp/corporate/network/group/nidec-global-appliance-europe/</a>	Design, production and sales of motors and compressors for home appliances and commercial refrigeration.
NIDEC LEROY-SOMER HOLDING <a href="http://www.leroy-somer.com/">http://www.leroy-somer.com/</a>	R&D, manufacturing and sale of alternators,electric motors, geared motors, variable speed drives, custom servo solutions and service o ers for industry.
NIDEC ASI S.p.A. <a href="https://www.nidec-industrial.com/">https://www.nidec-industrial.com/</a>	Development, manufacturing, and sales of mid- to large-sized industrial motors, power generators, and low- to mid-voltage drives as well as development of industrial system and automation systems in the metal and power generation (regenerated energy) elds.
NIDEC CONTROL TECHNIQUES LIMITED <a href="http://www.controltechniques.com/">http://www.controltechniques.com/</a>	R&D and manufacturing of customer-focused drive and servo technology.
NIDEC GLOBAL APPLIANCE COMPRESSORES E SOLUCOES EM REFRIGERACAO LTDA <a href="https://www.embraco.com">https://www.embraco.com</a>	Engineering and manufacturing of household and commercial (merchandisers, food retail & service, medical and special applications) refrigeration compressors and condensing units.
NIDEC CHAUN-CHOUNG TECHNOLOGY CORP. <a href="http://www.ccic.com.tw/index.php">http://www.ccic.com.tw/index.php</a>	R&D, manufacturing and sales of thermal management devices.

\* This table lists a selection of major group companies.
