### **Notice on Delisting American Depositary Shares from New York Stock Exchange Becoming Effective**

Nidec Corporation (formerly NYSE: NJ) (the “Company”) hereby announces that the voluntary delisting of its American Depositary Shares (“ADSs”) from the New York Stock Exchange (the “NYSE”) became effective prior to the opening of trading on May 2, 2016 (Eastern Time in the U.S.) as scheduled, following the filing, on April 21, 2016, of a Form 25 with the U.S. Securities and Exchange Commission (the “SEC”) for delisting from the NYSE and deregistration with the SEC as announced on April 11, 2016. In addition, the Company has filed a Form 15F with the SEC on May 2, 2016 to terminate its reporting obligations under the U.S. Securities Exchange Act of 1934, as amended (the “Exchange Act”).

#### **1. Effective Date of Delisting (Eastern Time in the U.S.)**

May 2, 2016

#### **2. Stock Exchanges on which the Company Maintains its Listings**

The Tokyo Stock Exchange

#### **3. Deregistration with the SEC**

The deregistration will become effective on July 31, 2016, 90 days after the filing of Form 15F with the SEC. The Company’s reporting obligations under the Exchange Act were suspended on May 1, 2016 and will be terminated on July 31, 2016.

Note: The schedule provided above, including the anticipated effective dates, may be delayed if the SEC objects or requests an extended review or for other reasons.

#### **4. Future Plans**

After the delisting of its ADSs from the NYSE, the Company maintains its American Depositary Receipt Program in the United States, and therefore its ADSs continue to be traded in the United States on the over-the-counter market.

While the Company is no longer subject to ongoing reporting obligations under the Exchange Act (including the obligation to file annual reports on Form 20-F), the Company will continue to make periodic Exchange Act filings on a voluntary basis until the filing of its annual report on Form 20-F for the fiscal year ended March 31, 2016, and it will also continue to disclose financial statements and other information, in English, on its website to ensure that its overseas shareholders and investors will continue to have access to appropriate information about the Company.
