Nidec Corp. ranked No.1 in Best CEOs, Best CFOs, Best IR
Officers and Best IR Companies on Institutional Investor's All-
Japan Executive Team

Institutional Investor, a world-leading financial information company based in the U.S. announced on June 1, 2016 the results of 2016 All-Japan Executive Team, an annual ranking of the nation's corporate leaders. This year, 443 Japanese companies were nominated across 25 business sectors, and the votes were collected from 570 investment professionals at 226 financial service companies.

Institutional Investor awarded a Best CEO, Best CFO, Best Investor Relations Officer and Best Investor Relations Company to Nidec's Shigenobu Nagamori, Masuo Yoshimatsu, Masahiro Nagayasu and Investor Relations Department respectively, in Electronics/Components sector. Nidec was one of the three companies who captured the first place in every category among those 443 companies.

Started in 2013, this annual ranking is conducted by Institutional Investor based on combined buy- and sell-side votes evaluating the board members' and senior executives' accessibility, quick response to requests, timely and accurate disclosure of essential financial information, enhancement of corporate governance, and so on. Nidec Corporation ranked No.1 in the Electronic/Components sector four years in a row since 2013. Also, Nidec is the first company that has accomplished the first place in all categories, best CEOs, best CFOs, best Investor Relations Officers and best Investor Relations Departments for three years in a row.
