## Nidec Dominates Institutional Investor's Annual Rankings of Best IR Companies in Japan for the Fifth Consecutive Year

Nidec Corporation ranked No.1 in Best CEOs, Best CFOs, Best IR Professionals and Best IR Programs in the Electronics/Components business sector on Institutional Investor's 2017 All-Japan Executive Team. This is the fifth consecutive year of being ranked No.1 on Institutional Investor's All-Japan Executive Team rankings.

2017 All-Japan Executive Team is a survey executed by Institutional Investor, a world-leading financial information company based in the U.S. Started in 2013, these annual rankings are conducted based on buy- and sell- side analysts' votes evaluating the nominated companies' investor relations attributes including management's accessibility and timely and accurate disclosure of essential financial information. This year, 837 Japanese companies were nominated across 25 business sectors.

Nidec will be continuously committed to creating corporate value over the long term through greater openness and accessibility in Investor Relations activities.
