

**NIDEC ELESYS AMERICAS CORPORATION was recognized  
by the Gwinnett County**

NIDEC ELESYS AMERICAS CORPORATION was recognized by the Gwinnett County community as an outstanding leader among international companies doing business in the area.

Each year one international corporation within Gwinnett County (there are 60 in total) is recognized for its dedication to serving the local community and taking an active role in ensuring progress and development, through evaluation of employment, environment, charity activities, corporate governance, and so on.

The award was presented to NESAs on Friday February 6 during the 67th annual Gwinnett Dinner, and President Kono received the commemorative shield in the front of over 1,000 guests including Lieutenant Governor of Georgia, various senators, and local mayors.
